SUBJECT: Ticket Request
DATE: September 24, 2013

Dear Sisters,

Thank you for your recent letter requesting tickets to the general priesthood session of general conference. We appreciate the sincerity of your request and the explanation of your desire to participate in the session.

It is the hope of the Church that the priesthood session will strengthen the men and young men including fathers and sons, and give them the opportunity to gather and receive instruction related to priesthood duties and responsibilities, much the same way parallel meetings are held for sisters, such as the general Relief Society meeting. It's for these reasons that tickets for the priesthood session are reserved for men and young men and we are unable to honor your request for tickets or admission.

We welcome you to view the live priesthood session broadcast, as well as the other general conference sessions, on LDS.org, The Mormon Channel or BYUtv.

Kindest regards,

Ruth Todd,
Public Affairs
